

*A message from the stockholders of Atlanta Dental:*

# *We Declare Our Independence.*

*The Atlanta Dental Supply Company continues to receive offers from publicly traded and private equity sources to purchase our company. However, we are committed and unanimous in our decision to continue to provide the Dental Profession with the finest products, technology, and repair services, which we believe is best delivered by an employee-owned, privately held company, whose capital, payroll, and profits remain in the areas we serve. We are also committed to continue our traditions of faith, family, and honorable business.*

*We still believe Relationships Matter!*

## *The Atlanta Dental Supply Company* *Full-Service Since 1868*
